OCTOBER 2027

With its fifth edition, taking place in 2027 at Fiera del Levante, **SAIE Bari** strengthens its position as a key meeting point for supply and demand across the construction industry.
Exhibiting at SAIE Bari means connecting with a dynamic, evolving market full of opportunities.
Central and Southern Italy are seeing significant investments in infrastructure, development and urban regeneration, while facing new challenges related to safety, sustainability, energy efficiency and innovation.
SAIE Bari: five editions, a growing community, new business connections.

MESTIERE FIERE

THE EXHIBITION VENUE

Fiera del Levante
Lungomare Starita, 4
70132 BARI – ITALY

Fiera del Levante enjoys a highly strategic location for the construction industry, providing easy access to markets in Central and Southern Italy and neighbouring Mediterranean countries, also thanks to daily transport connections with Greece, Albania and Croatia.
Bari Airport offers direct flights to several Mediterranean destinations, making the exhibition easily accessible to both Italian and international participants.
